

General Statement Of Fact Texas

In Windows, go to the "File" menu, click on "Print", and then click on "Print Range". This will open a dialog box where you can select the range of pages you want to print. If you want to print the entire document, you can leave the "Page Range" field blank. If you want to print a specific range of pages, you can enter the page numbers in the "Page Range" field. For example, if you want to print pages 1 through 10, you would enter "1-10".
